Scandion Oncology's Capital Markets Day, September 8, 2021

Dear Participants,

We look forward to welcoming everyone to Scandion Oncology's Capital Markets Day hosted by Redeye.

At 9:00 am, we will start with an introduction to the Company. This will be followed by a presentation focused on the newly updated company strategy. Before the break, we will get insights and perspectives from a distinguished international key opinion leader on why chemotherapy resistance in cancer patients is a significant unmet medical need that lacks good treatment options. The name of the key opinion leader will be announced on the day of the event.

Break – 10:30 am

During the second session, we will give you an update on the ongoing CORIST study and share recent learnings and insights.

We will conclude with a summary of the key messages and provide an overview of upcoming inflection points, which you as an investor and follower of the company can look forward to.

The second part is followed by a Q&A session, where participants will have the opportunity to ask questions to Scandion Oncology's executive management.

End of event – 11:30 am

Yours sincerely,

Scandion Oncology A/S
