Re 6. Proposal to enter into voluntary solvent liquidation

The board of directors proposed that the general meeting resolves to wind up the Company by entering into voluntary solvent liquidation pursuant to the regulation on liquidation in chapter 14 of the Danish Companies Act.

Any proceeds from the liquidation will be distributed among the shareholders in accordance with their shareholding in the Company at the time of dissolution. The

Company does not currently expect that there will be liquidation proceeds to be distributed among the Company's shareholders.

The liquidation can be completed at the earliest after the expiry of the statutory 3 months' advertisement period for creditors, during which the Company's creditors can file any claims they may have. After the expiry of the proclamation period and the complete winding-down of the Company's business, a new extraordinary general meeting will be convened where the liquidation can be finally adopted, and the Company will cease to exist. The liquidation is currently expected to be completed in early 2026 as the Company is expecting to receive a tax refund from the Danish tax authorities at the end of 2025.

To minimize costs during the liquidation process, the Company intends to initiate a process of being delisted from Nasdaq First North Sweden.
